New Tools You Need to Support a Respectful and Diverse Workforce

It’s About Respect II illustrates four common yet often overlooked examples of workplace discrimination, from jokes to unintentional exclusion.

Sexual Harassment: The Untold Story covers quid pro quo and hostile environment, reasons why it’s hard to speak out against harassment, and anti-harassment measures.

A Seat at the Table: Embracing Diversity explains how to create an inclusive workforce that taps diversity’s transformative potential.

Drop by Drop: Unconscious Bias helps organizations identify and root out microinequities and unconscious bias that hurt morale, teamwork, and productivity.

Diversity and Inclusion sums up the nature of a truly inclusive workplace and its benefits to your organization.

Harassment: It’s About Respect II shows how to identify harassment and what to do when you experience or witness it.

Sexual Harassment: Quid Pro Quo empowers employees to speak out against quid pro quo harassment. The program helps them understand the impact of harassment on victims, morale and productivity, and notes that quid pro quo also happens between employees of the same gender.

Sexual Harassment: Hostile Environment alerts employees to a form of harassment – hostile environment – that can involve workers of the same rank, gender, and even third parties.
