UPDATE YOUR TRAINING LIBRARY
WITH THESE NEW TRAINING PROGRAMS!
Invest in your best assets – your employees! Stock your shelves with new training to help keep your employees safe on and off the job.

**DRG008 | DRUG AND ALCOHOL AWARENESS**
Recognize the symptoms and effects of substance abuse on the workplace, and understand how—and to whom—suspected cases are to be reported.
Formats available: DVD, streaming video and interactive online course.

**DIV023 | DROP BY DROP: UNCONSCIOUS BIAS**
Discuss microinequities—the subtle forms of discrimination that erode morale and kill productivity.
Formats available: DVD.

**DIV023 | A SEAT AT THE TABLE: EMBRACING DIVERSITY**
Unlock the full potential of a diverse workplace that values differences, encourages innovation, and boosts productivity.
Formats available: DVD.

**SXH038 | SEXUAL HARASSMENT: THE UNTOLD STORY**
Help employees recognize quid pro quo and hostile environment, and show them the difficulty in speaking out, the importance of respect, and the role of witnesses and HR in responding to harassment.
Formats available: DVD, streaming video and coming soon as an interactive online course.

**TRE006 | TRENCHING AND SHORING SAFETY**
Help employees distinguish the differences and hazards of trench and excavations; soil classifications; protective systems; safe practices, and emergency response.
Formats available: DVD, streaming video and interactive online course.

**HAR023 | IT’S ABOUT RESPECT II**
Educate employees on the everyday nature of harassment by showing them four common examples of workplace discrimination.
Formats available: DVD, streaming video and coming soon as an interactive online course.

**AER002 | SCISSOR AND BOOM LIFT SAFETY**
Protect employees and help them understand the causes of arc flash, training and regulations, safe work practices, boundaries, hazard risk category levels, incident energy analysis, and PPE requirements.
Formats available: DVD, streaming video and interactive online course.

**HAZ024 | HAZCOM: ARE YOU GHS-READY?**
Help your employees work safely around chemicals. This program covers OSHA’s revised HazCom Standard including information on proper labeling, safe handling and using Safety Data Sheets.
Formats available: DVD, streaming video and interactive online course.

**ATT008 | MIRACLE ON THE HUDSON REVISITED: THE PASSENGERS’ PERSPECTIVE**
Through first-hand accounts from several of the passengers and Captain Chesley Sullenberger, your employees will see the importance of applying the Four C’s – Competence, Compassion, Commitment, and Communication - of safety in their own life, both on and off the job.
Formats available: DVD, streaming video and interactive online course.
